3. The DRV is carrying out a very active propaganda campaign in Hoa Binh but has not yet overtly promoted Communist doctrine. The slogan "resistance and liberation of the Muong people" is still being used by the DRV. During Muong meetings DRV agents usually give anti-French lectures. Because the educational level of the Muong people is very low, the DRV has not been able to advance its propaganda campaign. Although the DRV has inaugurated a land-reform program which is very popular, it is unable to control the Muong, who desire only to live in peace.
